

International Partnering IFAT 2020

Inspiring and targeted 1:1 meetings promise knowledge gain and new business contacts

Enterprise Europe Network welcomes you at the International Partnering at IFAT 2020 - the world's leading trade fair for water, sewage, waste and raw materials. The fair also serves as an international meeting place for environmental, energy and recycling experts from industry and science.

This is a unique opportunity to generate new contacts for business, technical co-operation and R&D. The model is time- and cost-efficient and results in business! Meetings will take place in a dedicated area and will be arranged in advance.

MAIN TOPICS

- Water and Wastewater
- Waste and Recycling
- Renewable Energy
- Energy Efficiency
- Circular Economy

TARGET GROUP

- SMEs
- Startups
- Research institutes
- Universities

WHY PARTICIPATE IN MATCHMAKING?

Find new qualified European suppliers, customers and partners to discuss new technology / innovative solutions or find partners for European R&D projects.

YOUR BENEFIT

- **Showcase** your most favorable projects, products or know-how
- **Target** potential business partners in pre-scheduled face-to-face meetings
- **Initiate** cross-border contacts and co-operations
- **Find** new commercial/technological/research partners
- **Receive** the latest information on industrial related research results
- **Easy access** to enterprises and scientists in the thematic focus
